As a passionate and detail-oriented UI/UX Designer with nearly 3 years of experience working remotely for a US-based company, I am eager to contribute my expertise in web design, UI design, and graphic elements such as posters and banners. Proficient in tools like Photoshop, Figma and Illustrator, I am committed to creating engaging, user-friendly designs that meet both client needs and user expectations. I am seeking an opportunity to join a highly professional environment where I can collaborate with talented teams, learn from experienced mentors, and continue to grow my design skills while delivering, innovative design solutions.
