SEO Portfolio – Amir Ali Khan

Digital Marketing & SEO Specialist

Contact: amirseo2017@gmail.com | Phone: 03355392900

About Me: I am a digital marketing professional with 10 years of experience in SEO, content marketing, and website optimization. I help websites rank higher, drive organic traffic, and generate leads.

Key Skills: -

- Keyword Research & Competitor Analysis
- On-Page & Technical SEO
- Off-Page SEO / Link Building
- Content Strategy & Optimization
- SEO Tools: Google Analytics, Search Console, SEMrush, Ahrefs, Ubersuggest, & SEO Ranking

Achievements / Results:

Client / Website: footwoundinstitute.com

Task / Strategy:

- Technical SEO, site audit, crawl fixes, mobile optimization, SSL, structured data.
- Keyword Research: primary & long-tail keywords, competitor analysis, keyword mapping.
- On-Page SEO: title/meta optimization, headings, internal linking, image ALT, URL structure.
- Content Strategy: monthly blog posts, service page content and FAQs.
- Off-Page SEO: guest posts, citations, social sharing and business directories submissions.
- Local SEO: Google Business optimization, local keywords, reviews, local schema.
- Analytics & Tracking: GA4 setup, conversion/event tracking, Search Console monitoring, monthly reporting.

- Maintenance & Continuous Optimization: fix crawl errors, update content, monitor competitors, ongoing link building.

Result

increased visibility from 0% to 10% of target keywords ranking in search engines; average position of target keywords improved.
